

Web Programming Minor Project

21011746 Hyunsuk Yang(양현석)

Title of the project : Share your NOTE! (필기를 공유하세요!)

Goal : This project is a web platform that has been created for university student users.

You can create an account and share your class notes and lecture materials. You can also interact by leaving comments on materials posted by others.

Through this Raw Data sharing, users will be able to gain broader knowledge.

The platform will have a front-end design using HTML and CSS, interactive elements using JavaScript, and back-end development using PHP.

Timeline :

12th Week [20 May ~ 26 May]

- 5/20, 21 : Complete the design of the details, plans, and the overall structure of the website
- 5/22 : Front-end development begins (home screen, menu)
- 5/23 : Detailed design for the website
- 5/24 : Account creation and login system implementation (using PHP and MySQL)
- 5/25 : Building an Upload Mechanism
- 5/26 : debugging, checking issues

13th Week [27 May ~ 02 June]

- 5/27, 28: Implementation of bulletin boards and search systems
- 5/29: Implementation of a comment system
- 5/30 : Implementation of user profile setting system
- 5/31: Implement My Page (a collection of posts)

- 6/1, 2: Final test, preparation for presentation
